Contract: Permanent.

Hours: Full-time/Part-time. Some homeworking may be considered.

Location: Tetbury and Cirencester

Innovative and progressive with Surgeries in Cirencester and Tetbury we are looking for an enthusiastic Clinical Pharmacist to work as part of the multi-disciplinary team.

An exciting opportunity has arisen for a dynamic and committed Clinical Pharmacist to deliver high quality care in a patient facing environment. The post holder will provide expertise in clinical pharmacy and medicines optimisation. You will lead quality improvement projects and provide leadership for medicines use to ensure patients experience high quality primary care.

We are looking for a prescriber with excellent communication skills who can establish themselves in the role of Practice-based pharmacy. As part of this role, you will be expected to undertake CPPE training (unless already completed).

We are a large Practice with a patient list in excess of 25,000 patients based over four sites in rural Gloucestershire covering the Cotswold towns of Cirencester and Tetbury. We operate personal lists and benefit from high patient and doctor satisfaction. We have been awarded an 'Excellent' CQC rating for our care of the young and elderly.

We are a highly regarded Practice with excellent patient feedback. Our Friends & Family Surveys in 2024 reported patients scored >95% extremely likely or likely to recommend the Practice.

We have 13 GP Partners and three Salaried GPs, supported by a range of Allied Health Professionals and Practice Nursing team. We also have a dedicated team of Frailty Nurses, and Nursing Home Advanced Nursing Practitioners to help manage our elderly and housebound patients. Our admin/management support includes a Practice Manager, Assistant Practice Manager, IT Support and HR Lead.

- Dispensing in Tetbury and Kemble. Systm1 used at all sites.

Please see the Job Description and Person Specification for further details.

Other benefits: Paid indemnity/professional fees as appropriate, NHS Pension Scheme, Cycle to Work scheme, regular MDT meetings and biannual team morale building days and other social events.
